

The Busselton Aero Club
wishes all of its members
a very happy and peaceful
Christmas.

The President's Message.

Well; Christmas is here once again and where has this last year gone. I know we all seem to say this every year but unfortunately it seems as though as we get older it comes around more quickly and maybe the down turn in the economy should make the coming year go more slowly as we wait for our investment to go back up.

Our Christmas party went well with Santa arriving of course by air.

Our condolences must go to Brice Ellis for the loss of his sister which meant that he could not do his normal duty last Sunday (which I will not mention in case children read our Aviator)

My wife Sue and I would like to wish all our members best wishes for Christmas and the New Year and please be safe on the roads
Geoff and Sue.

From the Editor

As we look back on the vestiges of 2008, we remind ourselves of the great year we left behind - successes, failures and perhaps tarnished dreams. We can also remind ourselves that the past is in fact past and the future is most uncertain. That leaves us with the present. At this time of the year, a present means a gift and we must cherish it too before it disappears into the past.

Regarding the club, we now stand on the doorstep of another exciting year. With ideas and help from all of our members, next year we can look back on a successful 2009.

Something for your new diary - the next meeting will be held on Sunday, January 11 at 5.00 pm.

From Kath and myself, may I take this opportunity of wishing all members a happy and safe Christmas and a prosperous New Year!
